

Daniel Najee Pulliam (Your name means: Safe [because]; God is my judge),

Live as a free man, but do not use your freedom as a cover-up for evil; live as a servant of God. Show proper respect to everyone: Love the family of believers and realize that Christ is where you will always find peace. Fear God, which is the beginning of all wisdom and knowledge. Honor those in authority over you; and, know enough about the character of God to recognize the wrong path – then run from it.

My prayer for you as you enter the next chapter of your life is:

*Father, please do not let love and faithfulness ever leave my son Daniel; I pray that you Lord, will bind love and faithfulness around his neck and write them on the tablet of his heart. My God, please help Daniel to win favor and a good name in your sight and in the sight of his fellow man.*

*Lord, I pray that Daniel's relationship with you will teach him to learn to trust you with all of his heart and mind; and, that he will not lean simply on his own understanding. In recognition of your sovereignty, I pray that you will lead Daniel's heart to acknowledge you in all of his ways. As a result, I pray that you will make his path straight.*

*God, I pray that you will lead Daniel to be humble and not to be wise in his own eyes; to fear you and to shun evil. As a result Lord, please bring health to his body and nourishment to his bones.*

*My Lord, I pray that you will help Daniel to recognize that all gifts come from you. Therefore, I pray that you will compel him to honor you with his wealth, with the first fruits of his labor. In faith, I pray that you will allow him to prosper according to your riches and mercy.*

My firstborn Son – remember to be strong and courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you wherever you go. I love you deeply and will pray for you often. I am here when ever you need a friend; my arms will always welcome you with love and a warm hug. Don't forget your Pulliam Power!

I love you; I am proud of you son!

Love,

Dad "Old One"
