Relevant Church Series: A study of 1-2 Corinthians

2 Corinthians 8:9 – “Generosity”

Generous living is one of eight biblical values that we have identified as drivers for ministry at Bay Area. As we learned today in 2 Corinthians 8-9, a church full of generous people will glorify God in ways that astound people in our community and around the world, attracting them to the gospel of Jesus Christ.

Read 2 Corinthians 9:6-15.

If you were in attendance for the sermon today, work as a family to remember several myths of generous living.

As Christ followers, why is generosity such an important characteristic of our lives?

**Take a “Generosity” Field Trip.** Make a list of needs that you see in your neighborhood, community, in the lives of people you know or in your church. How could you or your family live generously this week? Be creative. Ask God how he wants you to give cheerfully. Then, make a plan and be a blessing to someone.
