The Birth of Jesus Foretold

Series: Investigating Jesus
Text: Luke 1:26-38

Hopefully you had a meaningful time of thanksgiving this past week as we stopped our work to remember the praiseworthy deeds of the Lord. Today we begin to look forward to the celebration of the birth of Christ. Read Luke 1:26-38 together or in a quiet place by yourself.

1. List 5 things you learn about Jesus in verses 32-33.

2. How do these 5 things impact your worship of the Son of the Most High?

3. Consider Mary's response in verse 38. How is this an act of worship and how should we also worship in this way? (Romans 12:1-2)
