Series: God and Money
Luke 11:42 and Malachi 3:10

Sit down with your family, your spouse, or in a quiet place alone and read Luke 11:42 and Malachi 3:10.

1) Why did Jesus chastise the Pharisees for the way they tithe versus the way they treat people. (Luke 11:42)

2) What is legalism and how is it damaging to the Christian life?

3) Since it is impossible to tithe to the letter of the law just as the Old Testament prescribes, what are the principles of tithes and offerings that we gain from Malachi 3:8-10?

4) What should be our motive for giving? (Matthew 22:36-40)
